Booking procedure:

As soon as you find that the offered boat might be of your interest, please let us know, and we will "put it under option" for you. The option will be valid during the period of **7 days**. Unless we receive your booking confirmation till the expiration of the option period, the boat will become available for further booking again.

If and when you decide to book the offered boat, a simple e-mail confirmation will do to proceed with the booking procedure.

Your booking will be considered as finally confirmed only after the payment of the first 50% of the charter price **and the signed General Charter Conditions** (valid as a contract) are received. The General Charter Conditions document is published on our web site and we strongly recommend you read it before signing. The other 50% of the charter price will become due no later than 4 weeks before the beginning of the booked charter period. Once we receive the full amount, we will send you an invoice and a boarding voucher.
